Comenius'song: november 2012 in Belgium

1.

When you are with Comenius
You can find the words to say
Imagine a desert island
Where we are all the same

2.

In a golden family
You can have a good party
You can meet a lot of friends
And you spend good time with them

3.

Here in Belgium all is great
And the food is very good
And the friendship can be born
Doesn't mather where you're from

4.

I'm afraid we'll have to split
But later we'll meet again
Have great fun in abroad lands
And come home full of glory

Chorus:

In Belgium, Poland and Spain
Portugal, Greece and Turkey
and in Germany we meet
people and speak English
